Marquis Who's Who Honors Nanette M. Barto for Expertise in Entrepreneurship

Nanette M. Barto is a distinguished forensic document examiner and the owner of Eye for the Obvious

CITRUS HEIGHTS, CA, August 21, 2024, Nanette M. Barto has been selected for inclusion in Marquis Who's Who. As in all Marquis Who's Who biographical volumes, individuals profiled are selected on the basis of current reference value. Factors such as position, noteworthy accomplishments, visibility, and prominence in a field are all taken into account during the selection process.

Ms. Barto is a forensic document examiner with a career spanning over 17 years. As the owner of Eye for the Obvious since 2007 in Citrus Heights, California, she has established herself as an expert in handwriting analysis, document examination and fingerprint identification. Ms. Barto's role involves conducting examinations, collaborating with the public, attorneys and government agencies in detecting fraud. Her expertise has been instrumental in authenticating and excluding individuals from authorship and ensuring the integrity of notary journals.

As part of her devotion to her field, Ms. Barto offers discounts on financial aid and family law-related cases. She also works diligently to prevent individuals from receiving injustices. She also draws satisfaction from proving fraud cases involving multimillion-dollar estates bonded with caretakers. Among her most remarkable accomplishments in the field, Ms. Barto spent three years working with the FBI on identifying a suspect through handwritten communications in the Zodiac Killer case.

In addition to her entrepreneurial success, Ms. Barto has been a mobile notary since 2004, further broadening her professional scope. Before pivoting into her industry, she worked as a loan officer at First Mortgage Company in 2008 and the Loan Center of California from 2005 to 2007.

Ms. Barto's journey in forensic document examination began with an apprenticeship in Forensic Document Examination from 2007 to 2009. This foundational experience gave her the skills necessary to excel in her field. Subsequently, Ms. Barto received an Associate of Arts in legal assisting and an Associate of Arts in psychology from American River College in Sacramento, California, in 2011 and 2012, respectively. Moreover, Ms. Barto received certification in handwriting and altered documents.

Apart from her primary career objectives, Ms. Barto shares her knowledge through various projects, including hosting a podcast on forensic document examination topics relating to the handwriting involved in the Zodiac Killer murders of California. Looking forward to future opportunities, she aspires to author a book aimed at helping attorneys better fraud-proof their estate planning documents and any other documents executed with clients. Another future endeavor will highlight the congruency between deteriorated handwriting and a lack of capacity in the elderly where neurological dysfunction, disorder, and disease are involved.

In recognition of her accomplishments, the Citrus Heights Award Program honored Ms. Barto with a Best Business Award in 2013. She attributes her success to determination, persistence, and a strong desire for individuals to understand that the capacity to write is intrinsically linked to the ability to think and make life changing decisions. Ms. Barto's unwavering commitment to these principles continues to drive her professional journey forward.
